

CHALK TALK

April 2012

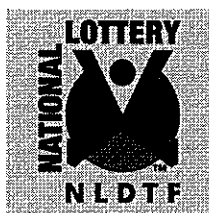

WHATS NEW

Equipment

Not so fast with that equipment – had to send the beam mats back – did not fit the legs – basic error but they have been re-made and now we can say that all the equipment is set and usable.

Boys bathroom got a further "touch up" with new basins and taps – the old taps almost needed a spanner to tighten and loosen them !

Staff and competitive kit set for delivery on 18 April
