March 2012

WHATS NEW

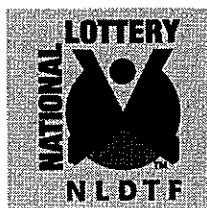

Equipment – more !

Our final shipment of Lotto funded equipment has been delivered and installed. Just a few rearrangements to be done now that we have extra mats to really get the gym ship shape !

We have now taken delivery of just over R500 000 worth of equipment – we trust everyone will use it properly and make it last – not sure how soon we would be able to get this kind of funding again.

Bathrooms have also had some attention – new shower doors and we are slowly replacing all the basin taps

Staff and competitive kit will hopefully be delivered early next term to complete all our Lotto funded projects
