Re. Invitational Competition Details for 2015

As usual we will be hosting a whole array of events for competitive gymnasts, both for our own members or any other registered member of the Federation.

Many of these events are now in their 24th consecutive year !!

Each event will have its own set of circulars and entry forms - the table below is just to give everyone the "heads up" for planning purposes. (entry fees are unchanged from 2014)

Regards

Allan Chadwick
Manager
